Boogie wonderland
It's raining men
Can't take my eyes off of you
Get down tonite
Hot stuff
I love the night life
Let's all chant
You should be dancing
Ladies night
I'm so excited

I will survive
I was made for loving you
More than a woman
Knock on wood
Never can say goodbye
Night fever
Shame, shame, shame
Stayin' alive
This groove is bad
If you could read my mind
You're the one that I want
love is in the air
We are family
Got to be real
Born to be alive
I love to love
That's the way
Shake your booty
Bad girls
Boogie oogie oogie
Daddy cool
Ring my bell
